

Honeylite SL Series

The Honeylite SL Series framed louvers are designed to fit into the top of wall sconces. The 45° cut-off blocks sightlines from elevated viewing angles. In addition to the louvers listed below, custom louvers can be manufactured for round, partial round, square and rectangular sconces.

See Custom Louvers.

Standard Finish is our black proprietary polymer coating with an eggshell finish.

CAT#

- HL-SL12 (Fits 12" Sconce)
- HL-SL14 (Fits 14" Sconce)
- HL-SL18 (Fits 18" Sconce)
